1. Read General Rules & Regulations, and Livestock General Rules & Regulations.
2. Any lamb shown in the market class cannot be shown in the breeding classes and vice versa.
3. All market lambs must be born after January 1, 2020.
4. All sheep, including wethers, must be identified with an official USDA premise ID tag (Scrapie tag).
5. The classification for judging will be based upon color markings and weights. For breeding classes, entries will be placed in classes by age with the day of judging being the base date.
6. At any time, sheep may be inspected by exhibition staff or their representatives for signs of sore mouth, active fungal infections (i.e. ringworm, club lamb fungus), infectious skin lesions, and general health. Any lamb found to be infected with active fungal lesions or other health problems will be asked to leave the fair grounds immediately.
7. Sheep originating from other states must meet the "Livestock Originating from Other States" general requirements. These requirements are listed on page 40. In addition to the general requirements, sheep entering Kansas shall be free from any signs of sore mouth or active fungal (ringworm) infection, including club lamb fungus. Sheep must be identified with an official USDA premise ID tag (Scrapie tag).
8. Wethers must be free from testicle and castration scar tissue.
9. Shearing: All lambs must be "slick shorn" above the knee and hock joints, including the head. A maximum of 0.2 (two tenths) inch of wool is permitted.
10. Market Lambs failing to meet the minimum weight of 75 pounds will be shown in an underweight class. These animals will not be allowed to compete for champion placing, and will not be allowed to sell in the premium auction.

NOTE: A Stafford County Bred class is being offered and a lamb shown in this class MUST be a lamb bred and owned by OR purchased from a Stafford County Sheep producer, or a lamb bred and owned by or purchased from a 4-H'er enrolled in the Stafford County Sheep Project. All lambs shown in this class will be shown together and sub-classes determined by weight, not breed.
